

Process flow

Group #: _____ Mentor: _____

Step	Task	#	Machine	1	2	3	4	5	6	7
1st Lithography				X						
1st Etch				X						
Resist Strip				X						
2nd Lithography					X					
2nd Etch					X					
Passivation						X				
Lift-off						X				
3rd Lithography							X			
Metallization							X			
Lift-off							X			
Thermal Annealing								X		
Characterization									X	
Dicing									X	
Wire-Bonding										X
Characterization										X
